

You're My Boom Boom

Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
You're my boom boom

Sittin' all day on the sofa
Power Rangers!
You got two diplomas
The world's biggest coasters
You could have been a hero
In a war worth fighting for

Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
You're my boom boom

More rights than...contributions
There's always a reason...or an excuse
Some one will take you out...there's no need to pay
I'll take the end piece...you take the middle

A trip down to the peace dome
Pokemon a go-go
It is Yom Ha Shoah
Bring your iPhone
Please don't bring any gifts
You're my boom boom

How to protect the one
Who won't be saved
An addict in the house
Makes a crowded home

You can jump and fly
You are very cute
You do strange things
Blissful oblivion

Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
Hey hey hey hey
Boom boom hey nonny nonny
You're my boom boom
